# New Events and Info

### Movie Day

- Join us on September 25th, at Manhattan AMC Movie Theater (103 Manhattan Town Center) and we'll provide the ticket!

"Reagan" will be the movie shown at 2:00pm.

This story is presented from the imagined perspective of Viktor Petrovich, a former KGB agent, who was assigned to surveil Ronald Reagan. Petrovich discusses the Soviet Union's past ambitions to infiltrate Washington, D.C. and Hollywood. Petrovich details Reagan's childhood in northern Illinois to his time at the 40th president of the United States .

Reagan's father Jack was an alcoholic, but his mother Nelle instills Reagan with Christian values. Dennis Quaid brings to life a story enduring impact of the power of one man who overcomes the odds, maintained by the love of a woman who supported him in his journey.
